Minutes of the 2nd PAB held on 2nd February, 2024 under the Chairmanship of Secretary (HE), MoE

The 2nd PAB meeting of Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA) was held on 2nd February, 2024 under the Chairmanship of Secretary (HE), MoE, through Video-Conference. The list of participants is at **Annexure-I**.

2. The meeting started with welcome address by Additional Secretary (E) followed by a brief on the various components of PM-USHA. Secretary (HE) also welcomed all the members of PAB. Secretary (HE) requested that States/ UTs to specifically focus on improving standards of education in the focus districts identified by the States/ UTs as per the scheme guidelines. Additional Secretary (E) shared that in the 1st PAB, the proposals of Multi-Disciplinary Education and Research Universities (MERU), Grants to Strengthen Universities (GSU), and New Model Degree Colleges (NMDC) were considered. In the current meeting the proposals of States/ UTs related two components viz. Grants to Strengthen Colleges (GSC) and Gender Inclusion and Equity Initiatives (GIEI) would be considered.

3. Decisions taken in the meeting are given as under.

Agenda Item No. 1:

State-wise consideration of proposals by the PAB regarding the two remaining components viz. (i) Grants to Strengthen Colleges (GSC) and (ii) Gender Inclusion and Equity Initiatives (GIEI)

Twenty-nine States/UTs namely Andaman and Nicobar Islands, Andhra Pradesh, Arunachal Pradesh, Assam, Chandigarh, Chhattisgarh, Goa, Gujarat, Haryana, Himachal Pradesh, Jammu and Kashmir, Jharkhand, Karnataka, Ladakh, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Mizoram, Nagaland, Puducherry, Punjab, Rajasthan, Sikkim, Telangana, The Dadra and Nagar Haveli and Daman and Diu, Tripura, Uttarakhand and Uttar Pradesh had submitted their proposals in respect of two components namely GSC and GIEI. The proposals were placed before the PAB for deliberation/ decision.

Under the component of GSC, the States/ UTs had submitted a total of 2402 proposals against a total target of 401 approvals to be granted under PM-USHA. Accordingly, PAB requested the States/ UTs to share the priority institutions and districts under components of GSC and GIEI, respectively, to have better convergence with the immediate felt needs of the States/ UTs.

All the States/UTs made their presentation in respect of their proposals through VC. States/UTs shared their priority areas and requisite interventions to be undertaken through the funding support under the scheme. While making their presentations States/UTs shared before the PAB the rationale for submission of proposals for certain districts under GIEI component based on the immediate felt need such as low female GER in the district, lack of gender inclusive infrastructure, population, topography, Socio- Economic profile, etc. Members of the PAB also made their observations on the proposals, including the activities proposed to be undertaken by the States/UTs' Governments and the higher education institutions under the scheme.

Based on the presentations and discussion/deliberations during the individual presentation following agenda item-wise observations/ decisions were made by the PAB:

Some of the GIEI proposals of the States/ UTs, were skewed more towards soft component. Therefore, the States were requested to realign those proposals to improve on tangible infrastructure to boost gender and equity inclusiveness, i.e., creation of girl's hostels, toilets, gender inclusive infrastructure in the district, etc. Similarly, under GSC component, the States were requested to focus more on creation of labs, procurement of necessary equipment, etc.

Decision: After considering the State-wise proposals, the PAB approved the proposals of two components of GSC and GIEI as per details given in Annexure-2 and Annexure-3 respectively subject to the following conditions:

(a) Approved educational institutions shall share the resources, especially equipment, facilities, etc. procured/ developed under PM-USHA/ RUSA with the other institutions and shall also upload the same on the Indian Science, Technology and Engineering Facilities Map (I-STEM) of the Office of the Principal Scientific Adviser (PSA) available at website <https://www.psa.gov.in/i-stem>.

(b) Approved educational institutions shall make use of the Samarth initiative of the Ministry, which provides for a fully managed, cloud based, comprehensive ERP that is custom built for HEIs of the country. It shall be ensured by the State that no cost is incurred under PM-USHA for procurement/ development of such ERP systems.

(c) Approved educational institutions are advised to ensure the proposed outcomes are in line with the objectives of component under PM-USHA.

(d) Approved institutions shall undertake efforts to increase recruitment of regular faculty in the institutions. The activities/ construction/ renovation would be undertaken as per the State/UT norms like SSR, DSR etc.

(e) The institutions/proposals approved under the scheme shall not use the funds under the scheme for undertaking any of the activities given in the negative list in the guidelines of the scheme.

Agenda Item No. 2

Approval of Management Monitoring Evaluation and Research (MMER) Grants for the States/ UTs.

(i) The PAB was informed that as per the PM-USHA Guidelines, an amount of two percent of the total fund approved is to be sanctioned for the MMER Grants of which 1% is to be released to the States/UTs and 1% to be utilized by Centre for activities related to the implementation and monitoring of the Scheme such as operation of TSG, monitoring portal etc. The entire amount of 2% shall be borne out of the Central Share.

Decision: The PAB approved an amount to the tune of 2 percent (1% for States/UTs and 1% for Centre) of the total funds approved by it during 1st PAB meeting held on 17th & 18th January 2024 and the 2nd Meeting held on 2nd February 2024. The total amount of 2 percent of the total fund approved would be borne out of central share.

Agenda Item No. 3

Request of Maharashtra for change of location of Hostel under earlier Equity Initiatives Component

The PAB was informed that:

(i) The State of Maharashtra has requested for change of location of girls' hostel approved under Equity Component of RUSA 2.0 in SNTD Women's University, Mumbai, from Juhu Campus of the University to the site of New Model Degree College established by the University at Shrivardhan, Raigad district.

(ii) Under RUSA 2.0, an amount of Rs. 5.00 crore was approved to the State as a unit under the component of Equity Initiatives wherein the State was approved creation of two hostels in 2 Universities (SNTD Women's University Mumbai and Sant Gadge Baba Amravati University). However, location of each hostel within the University and Hostel-wise break up of amount has not been mentioned in the approval by PAB. The State had itself identified the locations and amounts for the Hostels under the component and on the basis of the documents submitted by the State, the funds were released.

(iii) Now, the State has informed that as the SNTD Women's University couldn't obtain permission from the Corporation due to Coastal Regulation Zone restrictions, hence, the University has proposed to shift the hostel.

(iv) In the current proposal for change in location, the new proposed location is also within the same University approved by the PAB.

Decision: Within the norms of the scheme, the State can identify/change the locations of the hostels within the Universities approved by the PAB under intimation to the Ministry.

The meeting ended with a vote of thanks to the Chair.
